Dear Sir,

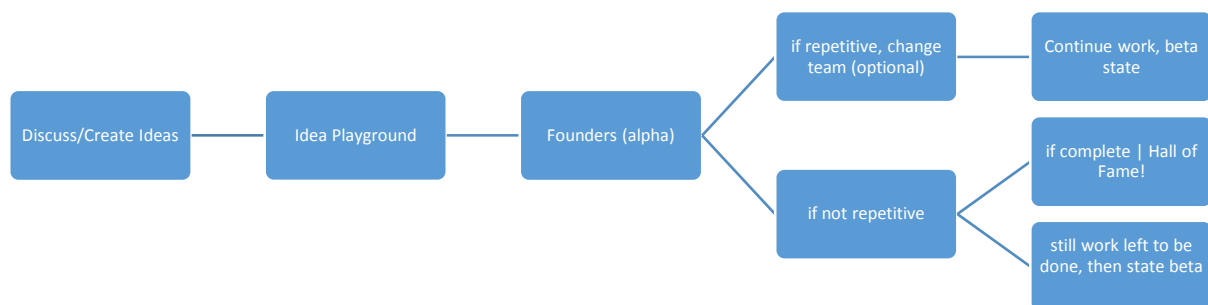

Subject: Request for booking LH1, LHC, on Jan 15, from 9:00 PM to 10:30 PM

We request you to kindly book LH1 in the Lecture Hall Complex for an MS11 batch meeting, on Tuesday, January 15, 2013, from 9:00 PM to 10:30 PM.

The batch meeting is in continuation with our previous batch meeting, in which people came up with various ideas which we wish to pursue. Some of those ideas have been listed below.

- Discuss Summer Projects
- TED Talks
- Coursera Course Discussion
- Off Syllabus Academic Group Discussions

We have the following method, we call the Team Tool, for creating and making progress in achieving ideas which are both popular and educational.

It is for this purpose that we need the entire batch in a single location, with provision for a projector.

Thank you,
Sincerely

Atul Singh Arora
(MS11 representative)
