Subject: Application for enrolment into the PhD programme at ULB

Dear Sir/Ma'am

I am interested in working in the field of Quantum Computation and Information at the Centre for Quantum Information and Communication (QuIC), École Polytechnique de Bruxelles. Dr. Jérémie Roland has kindly agreed to supervise me as a PhD student starting from October 1, 2016. I have also been granted funding from the FRS-FNRS and associated funds (except for aspirant, FRIA, FRESH). I have enclosed herewith the formal PhD application, taken from the official website¹ of Université Libre de Bruxelles. Documents required by the aforesaid have also been attached in the appropriate order. I request you to please process and accept my enrolment application.

Sincerely

Atul Singh Arora
