- You can also correct personal data and provide address changes online at www.ets.org/mygre.

Identification Policy

- Identification (ID) requirements are strictly enforced. If you arrive at the test center without the required ID, you will not be admitted and your test fee will be forfeited. It is your responsibility to read and understand the ID requirements in the [GRE Bulletin](#) or on the [GRE website](#).
- The primary identification document that you are required to present at the test center must exactly match the name you used when scheduling your appointment. This ID must also contain your name, signature and a recent, recognizable photograph.
- If testing OUTSIDE your country of citizenship, YOU MUST PRESENT YOUR PASSPORT as your primary ID document. If testing within your country of citizenship, you must present either a passport, valid driver's license, state or province ID, national ID or military ID. All documents must contain your name, photograph and signature. All test takers in Bangladesh, India and Pakistan must present valid passports. For citizens of European and Schengen Zone countries, see the special identification requirements in the [GRE Bulletin](#).

On Test Day

- You must bring either the paper admission ticket or a letter of authorization, along with a valid photo identification with signature (see Identification Policy above).
- Report to the test center no later than 8:30 AM Local Time. Actual starting times will depend on the time necessary for preadministration procedures. Plan to be at the test center up to 3 hours for a Subject Test or 4 hours for the General Test. No one will be admitted after testing has begun.
- You should also bring 3 or 4 sharpened No. 2 or HB (soft-lead) pencils and an eraser. Mechanical pencils and pens of any kind are not permitted in the testing center.
- Cell phones, PDA's Blackberry® devices, and other electronic devices are not permitted in the testing center.

Rescheduling or Canceling Your Test

- You must reschedule or cancel your test no later than 3 full days prior to your appointment (not including the day of the test or the day of your request), or your test fee will be forfeited. Call or write to the GRE Program with your name, date of birth, address, registration number, test date, preferred test center, and new test date. Mailed requests must be received no later than 3 full days prior to your scheduled test date. The rescheduling fee is US\$50. You cannot transfer to the next testing year.
- If you cancel your General Test or Subject Test no later than three full days prior to your test date, you will receive a refund equivalent to half of the original test fee. Late registration fees are not refundable.

Changing Your Test Center or Subject Test

- If you wish to change your test center or the Subject Test for which you have registered, contact the GRE Program with your name, date of birth, address, registration number and test date, preferred test center and new test date. Requests must be received by the registration deadline for the test center location. Test center changes cannot be guaranteed but will be made as space permits. You can also report to the preferred test center on the test day with your original admission ticket and if the center can accommodate you, and the test you need is available, there is no additional charge.
