Let it Mango
the 'Aam' network

Here is the
'Aam Antran'

a central login to access brand
new IISER M exclusive online
services

to make IISER M

important
innovative
smart
epoch making
revolutionized
modifications

1. Naveen Tantra Online Election System

Taylorred from scratch for
IISERM's spirit, the democratic
process with a novel fraud
prevention scheme, built right in!

2. Opportunity Cell Central Information Bank

Developed to provide convenient
and relatively exclusive access
to important information, you can
no longer complain about not
knowing the deadlines!

3. Bullet in Brain Electronic Bullet in Board

Created in association with the
environment club, this is aimed at
saving paper and printing,
eliminating the task of putting up
posters and easing the information
flow. **coming soon**

4. codename: TwinPrimes ~~coming soon~~ might see the daylight

What Facebook couldn't do for
researchers;
Define your research group,
Extra privacy, co-ordinate,
relate, share your human
experience along with the

5. YATN dot Org ~~coming soon~~ might see the daylight

Youth's Attempt To Nurture,
YATN's web portal.
