If testing OUTSIDE your country of citizenship, YOU MUST PRESENT YOUR PASSPORT as your primary ID document. If testing within your country of citizenship, you must present either a passport, valid driver's license, state or province ID, national ID or military ID. All documents must contain your name, photograph and signature. For citizens of European and Schengen Zone countries, see the special identification requirements in the GRE Bulletin.

It is your responsibility to read and understand the ID requirements in the GRE Bulletin or on the GRE website at www.ets.org/gre/revised_general/test_day/id

Rescheduling or Canceling Your Appointment

You must change or cancel your test online no later than three full days prior to your appointment (not including the day of the test or the day of your request), or your test fee will be forfeited. If you change an August or September 2011 test date to another date in August or September, you will be charged a rescheduling fee of US\$50. If you change an August or September 2011 test date to a date in October 2011 or later, you will be charged the full test fee for the new test and will not receive a refund for your original test. If you change an October 2011 or later test date to a date in August or September 2011, you will be charged the full test fee for the new test date and will be eligible for either a partial or full refund depending on the new test date you select.

If you cancel your test no later than three full days prior to your test date, you will receive a refund equivalent to half of your original test fee (for test dates in October 2011 or later). Test fees for August or September 2011 test dates are non-refundable.
