Participating in the GRE Search Service (the "Service") is FREE for you as a GRE test taker or someone considering graduate or business school study. The Service matches prospective graduate students with participating graduate and business schools and fellowship sponsors. If you match the recruitment profile of a participating institution/organization, you may receive information about their graduate or business programs, fellowships, financial aid opportunities, and other graduate education opportunities, and by signing up for the Service you give ETS permission to share your information with participating institutions/organizations. By opting in below you also agree that you may receive information regarding other products and services from ETS. If you participate in the Service, your background information, contact information and, if you have taken a GRE test, the broad score ranges in which your test scores fall will be added as criteria to the Service database. Information provided to participating schools does not include individual GRE test scores. To learn more about the Service, visit www.ets.org/gre/stusearch.

Information provided to participating schools about you may include any of the following:

- personal information - address, gender, ethnic background, citizenship status, telephone number, and email address
- educational background - current educational status, undergraduate institution name, UGPA, undergraduate major, and date of graduation
- educational objective - field in which you plan to do your graduate work; preference of full-time or part-time graduate study; degree objective; preferred geographic region for graduate study; and intended date of enrollment in graduate school.

Your broad GRE score bands (e.g. score ranges) in combination with undergraduate grade point average may be part of search criteria but will not be released to any participating school.

Information collected by Educational Testing Service (ETS®) for use in the GRE Search Service will be transferred to Hobsons®, the organization responsible for administering and marketing the GRE Search Service as directed by ETS. By participating in the GRE Search Service, you authorize the transfer of your personal information to Hobsons for the purposes described above. Hobsons is prohibited from using your personal information for any other purposes.

If you choose to participate in the Search Service and decide to unsubscribe at a later date, you may do so at any time by contacting GRE Services at gre-info@ets.org or 1-609-771-7670.
